## H. SAM TRUE

Prominent Citizen of Dover Dies at the Norton Memorial Infirmary at Louisville on Tuesday.

Mr. H. Sam True, a prominent citizen of Dover in this county, died at the Norton Memorial Infirmary at Louisville, Ky., on last Tuesday at 12:30 o'clock, after a three months illness of Bright's disease. Mr. True had been in the infirmary for some weeks before his death.

Henry Samuel True was born in Dover in 1853 and was consequently 63 years of age. The early part of his life was spent in Dover. He later removed to Maysville and for a number of years was a member of the old Maysville or Hauck's Band, playing a solo alto in that organization. He was regarded as one of the best members of the band. He was connected with the tobacco business in this city and also in Louisville, being a member of the firm of True & La Compte in that city at the time of his death. At the Democratic primary in 1915 in this county he was a candidate for the nomination as Circuit Court Clerk but was defeated.

Mr. True's wife preceded him to the grave two years ago. He had no children.

Four sisters survive him, all of whom reside in this county.

Mr. True was a gentleman of the highest type and numbered his friends by the scores. All of his many friends and the surviving members of the old band will deeply regret to hear of his death.

The funeral will be held from his old home in Dover on Friday afternoon at 2 o'clock. The funeral service will be conducted by the members of the Masonic Fraternity, Mr. True being a 32nd degree Mason.

## NEGRO CUTS ANOTHER

Arthur Johnson Probably Seriously Injured at the Brick Yard Yesterday Afternoon By Willis Barber.

Yesterday afternoon about 2 o'clock Arthur Johnson, colored, who resides in the Sixth Ward, was cut by another negro, Willis Barber, at the Sphar Brick Yards.

According to the story of Johnson he had loaned his knife to Barber, who wanted it to fix the handle of his pick. He said that the latter without any provocation whatsoever jumped on him and began to stab him with the knife. He then made his escape.

Johnson was brought to this city and taken to Dr. J. H. Samuel's office to have his wounds dressed. It was found that he had been cut in the back, the right arm and the hip. His condition may be serious, although he was able to get around yesterday afternoon.

The local police force were notified of the fight and they made an attempt to locate Barber. However last night he came to Police Headquarters at the Court House and surrendered himself to Sergeant Harry Walsh who placed him in jail. According to his story Johnson had jumped on him and they were fighting together on the ground when he cut him.

The examining trial of Barber will be held this afternoon in Police Court unless the wounds of Johnson are such as to compel him to remain at his home. In this case the trial will be postponed until the latter is able to attend and testify against Barber.

## CHARITY BALL

Annual Event Will Be Held in the Asylum of Maysville Commandery No. 10, Knight Templars—Many Expected.

One of the most brilliant events of social year will be held tonight in the asylum of Maysville Commandery No. 10, Knight Templars. The annual Charity Ball draws a large number of the social set from all over this section of the country and is one of the largest events of its kind in the north-eastern part of the state.

For a number of years this ball has far eclipsed all other social events in magnitude and importance. Those who are in the habit of attending this ball begin preparing for it early in the fall. Visitors from all of the surrounding cities come to this city to be in attendance at the ball.

The ball is given under the auspices of the Maysville Commandery of Knight Templars and the proceeds go to the Charity Fund of that organization. The dancing begins at 9 o'clock. The music for the occasion will be furnished by Esbergers Band of Cincinnati. This is said to be one of the best bands in this section of the country and as they have played here before at large balls all of the Maysville people are acquainted with the style of music they are capable of producing.
